Dear VSL#3 Customer,

Sigma-Tau Pharmaceuticals remains committed to support ongoing clinical investigations of VSL#3 medical food. In addition, we continue to provide educational outreach to healthcare professionals.

Over the last few years we have absorbed the increasing costs of raw material commodities, fuel and other surcharge fees. As a result of these increasing costs we must raise the price of VSL#3 products on May 1st, 2010.

To meet customer needs while shipping a refrigerated product, VSL#3 continues to be shipped Monday through Wednesday in temperature controlled packaging and is delivered to you within two business days, at no additional cost.

We wish to thank you for your understanding and sincerely hope that we can continue to serve you in the future. If you have any questions or would like to place an order, please call customer service toll-free anytime at 1-866-GET-VSL3 (438-8753).
